

This was forwarded to me by Al Merwitz, a person I worked with 30 years ago while being stationed at Ramstein Air Base, Germany. Al has captured a view I share of the current situation, as well as the passion that I feel as to what has been done to this country in less than three months. Thank you Al for sounding off.

For those who ridiculously claim that we who want our jobs and lives back don't care about others, this is for you...

In light of all the videos that are considered conspiracy theories and are leaving people to wonder what the truth really is, there's this. I can't say 100% what the truth is. I know I'm finding it hard to believe anything. But I can still believe in the Constitution, and that's what this statement is based on.

Anyone who thinks social distancing is a good idea for the next few years, or thinks that a 'benevolent' dictatorship is for the good of humanity, just stop now ... because I won't be giving that point of view my energy.

- If you want to stay home, stay home. That's your sovereign right to choose.
- If you want to wear a mask, wear a mask. That's your sovereign right to choose.
- If you want to avoid large crowds, avoid large crowds. That's your sovereign right to choose.
- I am not required to descend into poverty for you.
- I am not required to abstain from human contact for you.
- I am not required to shop alone, without my friends and family, for you.
- I refuse to participate in "quarantine life" until there's an unsafe, untested vaccine released in eighteen months.
- I refuse to receive said vaccine to make others feel more safe.

That IS my sovereign right to choose!!!

If you're convinced the vaccine is safe and effective, you can get it.

Some of you are allowing fear, and policies devoid of scientifically accurate data, to destroy our country and ruin your life.

I can't control your self-destructive behaviors, but we all have a say in the once great USA and the planet we live on.

- We need to tell legislators that we demand options.
- We have a constitutional right to take risks. Life is full of bacteria and viruses ... many of which spread before symptoms manifest, and after they subside.
- We have a Sovereign right to receive OR refuse vaccines.

The data was inaccurate at best; purposely overblown to justify government overreach at worst.

Stop allowing the government to destroy:

- The Food Supply
- Small Businesses
- Medical Autonomy
- Access to Healthcare
- Religious Gatherings
- Privacy Rights
- Fellowship
- Our Mental Health
- Our Freedom

When the "new normal" is filled with starvation, depression, suicide, child abuse, domestic violence, imprisonment, governmental spying, and pure DESPERATION, the virus is going to look preferable to the world you helped facilitate.

I'm going to turn this around on people from now on. Those that say I (or anyone that supports the mission to get us back open) is selfish, or putting money over lives by wanting the country back open for business....

Hear this:

- YOU don't care about the people that will kill themselves out of hopelessness,
- YOU don't care about small businesses that'll close their doors (THEIR LIVELIHOOD) permanently,
- YOU don't care about the children/women/men that'll be victims of domestic abuse,
- YOU don't care about people defaulting on their mortgages,
- YOU don't care about bills going unpaid by families with ZERO income right now,
- YOU don't care about people wondering where their next meal will come from,
- YOU don't care about the people that'll lose their sobriety and slip back into addiction,
- YOU don't care about the people that will starve,
- YOU support the inevitable looting that'll take place,
- YOU don't care about anyone that's murdered, the longer this shut down goes on,
- YOU don't care about people's mental health,
- YOU don't care about the children that DO need teachers and educators to guide and educate them,
- YOU don't care about the economy crashing down around us,

-YOU REALLY DON'T CARE!

-YOU love your shackles!

-YOU are pathetic, begging your leaders for MORE shut down and MORE regulations!

I will NOT tolerate another person telling me that I don't care about lives!

I care about the situation in its entirety.

But YOU don't care about any of that so....

-YOU stay home.

-YOU wear a mask.

-YOU live in fear.
