Nouis announces candidacy for House District 42B seat

PLYMOUTH, Minn. – Perry Nouis has filed an Affidavit of Candidacy with Minnesota’s Secretary of State’s office to seek the House District 42B seat in the Minnesota Legislature. The district is comprised of precincts in Plymouth, Maple Grove, and Medicine Lake.

Nouis* is a former Chairman of Morrison County Republicans. He has served on the Eighth Congressional District GOP Executive Committee, the Republican Party of Minnesota State Central Committee, and most recently Vice Chair of the Senate District 42 Republicans.

He served as Press Secretary for U.S. Representative Chip Cravaak (MN8) and managed the Congressman’s Constituent Services office in Brainerd. He was responsible for implementing the Congressman’s community outreach programs throughout northern Minnesota.

“It would be a tremendous honor to represent the people of Plymouth, Maple Grove, and Medicine Lake,” said Nouis. “We love Plymouth. I have a broad range of experience to confront the challenges facing Minnesota. I care deeply about the education of our children and their futures, the crushing debt that has been placed on them, and what I see as the trampling of citizen rights that we have witnessed in recent years.”

Nouis is a retired U.S. Air Force Lieutenant Colonel with 24 years combined service in the U.S. Army (enlisted) and he served as a career Air Force Public Affairs officer with assignments in Germany, South Korea, California, Colorado, Maryland, and North Carolina.

He is a graduate of State Cloud State University with a degree in Business Management, and he holds a Master of Public Administration Degree from National University.

His hometown was Little Falls. He and his wife, Jean, have been married 41 years. They moved to Plymouth after retiring from the military. They have four children and eight grandchildren.
